

# Heir-mail

A note from one heir in Christ to another, concerning God's work of creating more heirs in Alaska.

## Lower 48

This Fall has been great. I have been able to visit 7 churches, the middle school Bible Club, a couple Bible Studies, and almost everyone who receives this newsletter. Thank you to all of you who invited me over to share, or stopped by to talk. I hope you all enjoyed the slides as much as I enjoyed sharing with you what I have been working on.

As most of you know, the financial support had slowly decreased over the last three years. We needed to raise \$700 more a month to get back to the previous level, and another \$400 a month for inflation, and to protect against decrease over the next three years. I also wanted to add 25 more prayer partners.

Good News!! The 25 prayer partners have signed up to pray. We are now back to over 100 people willing to pray for me and the work that I am doing. We have also raised \$500 of the \$1100 needed, which will bring my support back up close to the level previously required. Praise the Lord for his provisions.

For those of you who asked to have the automatic withdraw information. I will be sending those papers out after I get back to Alaska, the end of October. If you are interested but did not indicate on the blue slip please contact me and I will make sure to send the information to you also.

The other great news is that the heater I had installed in my cabin is now paid for! I had it installed on faith, knowing that I had to have heat by the time I returned in October. The plumber was willing to install it this summer on faith that I would pay in September and Praise the Lord, it has been paid off. Infact when I return I will be installing the bathroom, the floor, and hopefully get a refrigerator and stove. Once I have the bathroom and refrigerator, I will be moving in, and doing the rest of the work while living there.

That the cabin bathroom will be a trouble free installation

That as I start working on planes again I will remember everything

For a smooth transition back into the workplace and into my church

## Praises

For a great trip where I was able to see so many of you and share what has been accomplished over the last three years.

For the Lord providing enough prayer partners to get me back over 100

For the Lord providing more funds to help replenish the lose and that it will be enough to keep me there for three more years.
